YOUR SECURE PORTAL

A complimentary secure portal account is your gateway to JANNAF-sponsored meetings and conferences; ERG's collection of vast collaborative research; as well as a small team collaboration space that fosters secure communication and information sharing.

With your secure portal account, you will have access to JANNAF meeting registration, the JANNAF workspace, online access to more than 25,000 JANNAF and ERG legacy publications and databases, the NIRPS small team collaboration space, the NIRPS skills and capabilities tool, and the NIRPS communities of interest tool.

Who Can Open a Secure Portal Account?

Any U.S. citizen who either is a U.S. Government employee, an active DoD or NASA contractor working under a current U.S. DoD or NASA contract or is sponsored by a U.S. DoD or NASA official, may obtain a secure portal account. The organization or person must also be registered with the JCP/DLA for eligibility to receive "Militarily Critical Technical Data."

What You Will Need to Obtain Access:

To obtain access to a portal account, simply visit one of the following sites:

www.jannaf.org

www.erg.jhu.edu

Click on "Create new account" and follow the instructions. You will need to fill out the electronic Customer Verification Form and create a user profile

Before you begin the process, you should have the following information available:

- The name, phone number, and email of your Facility Security Officer or Human Resource personnel
- Defense Logistics Agency Certification (DLA) number (DD2345) (Contractors Only)
- The name, phone number and email of your Government Sponsoring Officer (GSO), an contract number with expiration date. (Contractors only)

Once you fill out the form, and click submit, you will receive an email to verify your email address. Please click on the link provided in that email, and your form will automatically be sent to your FSO/HR person, and GSO (if needed) for their approval. If you do not immediately find the email, check your junk mail box

For more information, please contact our security team:

Mary Gannaway at mtg@erg.jhu.edu or Tricia Reider at treider@erg.jhu.edu.
